VOLVO TURNS ROAD TRIPS INTO SYMPHONIES

Enjoy concert-hall sound in the Volvo S90

Both you, the symphony and the Volvo S90 all have something in common – an appreciation for music. The S90 can be transformed into the Gothenburg Concert Hall with its innovative room mode features. Plus, the optional top-of-the-line Bowers & Wilkins sound system delivers 1,400 watts for a live experience on every drive.

Now the New World Symphony has partnered with Volvo to offer you a unique opportunity. You're invited to take the S90 for an extended test drive. Schedule yours today – and take your seat for an unforgettable symphony. **This exclusive offer for music lovers is available through March 31.**

SCHEDULE YOUR TEST DRIVE

A luxuriously long-lasting drive

Drive the S90 around town – or to Key West for the weekend.* An extended test drive gives you a few days to enjoy the sights and sounds, not just a few hours. On your journey, let our standard Pilot Assist be your co-pilot to aid with acceleration, braking and lane keeping to ensure a safe ride.

*A maximum of two nights.

MASTER CLASS IN MUSIC APPRECIATION

A \$1,500 bonus. Music to your ears.

For those who appreciate fine music, there's a lot to admire about the Volvo S90 and XC90. The optional Bowers & Wilkins audio system delivers 1,400 watts to 19 speakers for rich, clear, powerful sound. The room mode feature transforms your car to a concert hall as you drive.

Because you're a patron of the New World Symphony, you're entitled to a \$1,500 A-Plan Bonus with the purchase of a S90 or XC90. Plus, you'll be treated to a performance of the Gothenburg Symphony Orchestra, in Sweden, while you take overseas delivery of your car.

This exclusive offer is available through June 30. Experience amazing, symphony-like sound in the Volvo S90 or XC90 – with a bonus that's equally amazing.

REGISTER NOW FOR YOUR BONUS

Take a vacation. Take in a concert.

When you purchase your new Volvo with the Overseas Delivery Program, your price includes the journey of a lifetime. You'll receive two round-trip tickets to Sweden and an overnight stay in Gothenburg, where Volvos are born. New World Symphony patrons also receive concert tickets to the renowned Gothenburg Symphony, to enjoy while you visit Sweden.

TECHNOLOGY TRAVELS WITH YOU.

Experience a safer ride in the all-new Volvo S90, the first car with standard semi-autonomous driving technologies. Pilot Assist helps you maintain a safe distance from the car in front and provides gentle steering inputs to help you stay in your lane. When exploring backroads, you'll benefit from Large Animal Detection. In town, City Safety senses the dangers of pedestrians and cyclists and brakes automatically.
